**Body** Brother, I am low on money. I am doing all of this with three brothers and a sister. The brothers that are helping me do not have a lot, but thanks to Allah I earn a good wage. The rest of the brothers don't want to be with us or are afraid or are not on my side. Most of them avoid me. They came to my house and said that I need to stop so they would not be endangered.

**Body** Brother everything is clear to me. This is our path. I had brothers, all loved and hated for the sake of Allah. They were telling me how we needed to renounce the non-believers and everything. When I went on this path I received more support from my old non-believing associates than the brothers.
